We participated in our twenty third year of SC student selection for the U.S. National Chemistry Olympiad. Out of the SC Section competition, we had two students named for high honor recognition.</p> <p>Prior to our SC ACS Awards Recognition and Banquet at Claflin University, Dr. Angela Peters, Chairperson, 2010, sponsored a SC Undergraduate Chemist Poster Presentation. This was the second year for exposing outstanding student's research work from several Colleges and Universities within the Section.</p> <p>The SC Section also provided judging and the outstanding chemistry paper/oral presentation award at the SC Junior Academy of Sciences for the third year straight. There were some amazing chemistry projects and potential chemists at the annual high school competition.</p> <p>Two outstanding SC ACS Section chemists, Dr. Jack Breazeale and Dr. John Dawson were nominated and approved as ACS Fellows in its first ground breaking offering. This speaks highly of the individuals who comprise the SC ACS Section's membership.</p> <p>Also, our SC ACS Section chairperson, Dr. Angela Peters, was nominated and awarded the Stanley Israel Regional Award, Southeastern Region, for diversity promotion in her work at Claflin University and throughout the Section. The award was for \$1,000 for a diversity program of her choice.</p> <p>During the summer, the SC ACS Section provided some financial support to the first two Project Seed students at the University of South Carolina. The program went very well and laid the groundwork to triple the number of students and faculty participating in 2011.</p> <p>A project grant was prepared and awarded to the SC ACS Section to prepare for the 2011 International Year of Chemistry celebration. A \$250 grant award was for a student media presentation to highlight chemistry in everyday life.</p> <p>Our fall finale for the SC ACS Section promoted by Dr. Jim Deavor, Secretary-Treasurer was financially supporting the Charleston County Library's Harry Potter Chemistry display and chemistry demonstrations as part of our National Chemistry Week celebration. The library's conference room was packed beyond capacity with Charleston County elementary children and a few adults who stood outside the conference room. Wet chemistry demonstrations were provided by some very able chemistry wizards from the College of Charleston.</p>
